

Prequalify with PC Construction!

PC is committed to providing our clients with highly skilled, qualified project teams, which includes our talented and dedicated trade partners.

Like many of our peers, PC has instituted a prequalification process to ensure we partner with subcontractors and suppliers who share our vision for high quality, safe, and successful construction projects. **We invite you to get started today!**

Upon completion of PC's intake form, a link to enroll in Highwire will be emailed from the Highwire Assessments team. Prequalification typically takes about 60 minutes. Please note that while PC will cover all costs for your PC prequalification, additional costs will occur if you choose to connect with other general contractors through Highwire.

Outlined below is a list of documentation that will need to be provided.

How does my company enroll with Highwire?

Introduction

Highwire's enrollment is designed to have you prequalified and onsite as quickly as possible. Please contact us [here](#) if you would like to know if a profile may already exist for your company.

How to Enroll

1. You will receive the following email notification from Highwire:
2. Click the blue "Connect Now" button at the bottom of the email.

HIGHWIRE

Good afternoon,

Ginette Reynolds has invited XYZ Company to connect with PC Construction on Highwire. To perform work for PC Construction, they require you to share a completed Highwire assessment by September 29, 2025.

Message from Ginette:

Thank you for your interest in PC Construction and we're looking forward to working with you. If you have any questions or concerns, please feel free to reach out to me.

Why are you enrolling in Highwire today?

Complete a risk assessment for a client

I need to complete a risk assessment and share it with a client.

Build a free profile on the Highwire Network

I want to find new clients by creating a profile on the Highwire Network.

If you aren't sure what to select, give our support team a call at [+1 \(866\) 817-2210](tel:+18668172210). You won't sit on hold.

Choose the first option if a client or general contractor has instructed you to enroll. If you are looking to explore potential client connections, but do not need to enroll yet, choose the second option to create a free profile on the Highwire Network.

7. You will then be presented with a list of options describing the nature of your business. Please choose one or more categories from the list.

How would you describe your company?

You can select more than one, if needed.

Specialty Trade Contractor

Construction trades such as site prep, plumbing, painting, and electrical work.

Service Contractor

Service and maintain facilities, grounds, and equipment.

General Contractor / Construction Manager

Oversee coordination and delivery of construction projects.

Architect / Engineer / Consultant

Provide one of these professional services.

Supplier / Manufacturer

Manufacture or supply materials and equipment.

Facilities Manager / Property Manager

Oversee the maintenance and operation of existing facilities.

Other

Perform work not related to the descriptions above.

After making your selection, choose the specific trades that most closely align with the work you will be performing with your client(s).

What trades does your company perform?

No Divisions or Trades

8. Next, select the client(s) with whom you would like to share your assessment and connect. Clients with projects near you will be indicated.

Which clients do you want to share your assessments with?

Search by client name...

 Intel Construction +	 Rosendin + ✓ Projects near you	 Skanska USA Building +
 Intel Supplier +	 Mount Sinai System +	 Stanford Medicine +
 National Institutes of Health (NIH) +	 OEG, Inc. +	 Foundation Medicine +
 Rowan Digital Infrastructure +	 New Line Structures +	 Equinix +

Select any additional clients that you would like to connect to your profile for prequalification. Adding additional clients or general contractors could provide you with more bidding opportunities because your company name will appear on their list of eligible bidders.

*Please note that selecting multiple clients may impact the pricing associated with your enrollment. **PC will cover all costs for your PC prequalification, additional costs will occur if you choose to connect with other general contractors through Highwire.***

More pricing information can be [found here](#).

9. Click "**Continue**." The next screen will display the client(s) you have selected for your profile, as well as the final enrollment fee. Depending on your company's location, sales tax may apply.

10. Click "**Checkout**" to proceed to the payment page and enter your payment details. To obtain a copy of an invoice prior to payment, click the "View Invoice" button at right of the page by the summary.

By clicking "Subscribe," you agree to [Highwire's Terms and Conditions](#). This includes automatic billing for your recurring subscription. You may cancel your subscription at any time; however, you will not be entitled to a refund upon cancellation pursuant to the terms and conditions above.

HIGHWIRE

Highwire offers several currencies for payment. Depending on the country you have selected for your company's origin, you will see the option to pay in EUR, USD, or CHF.

Next Steps

Once payment is complete, you will be prompted to enter important information regarding your company. You will find more helpful information about what is required to complete your profile in the articles below:
